Erin Henle

Admin Liaison

Erin's 20-plus years of administrative experience in all levels of behavioral health is driven by a passion for removing barriers to treatment so that individuals and their families can be valued, treated with compassion, and empowered to achieve their full potential.

OUR SERVICES

The Fletcher Group is a 501c3 not-for-profit founded in 2017 to help those in society move from the disease of addiction and the devastation of homelessness to lives of hope, dignity, and fulfillment. We research and provide best-practice technical assistance to expand the quality and capacity of recovery supports and the evidence-based services needed for long-term recovery.
